of His Highness the Maharaja of Mysore,

Sir,

Subject - Waiving the audit objection in respect of the Drill allowances paid in the Municipal High School, Bowringpet for 12 months instead of 9 months in the year

Adverting to Government Order No L 7044-46/Ml 63-40/dated 8th April 1941 sanctioning the payment of drill allowances at Rs 10/- per mensem each to two teachers in the above school, I have the honour to state that it is reported that the allowances are being paid from 1937-38 during 12 months in the year while such part time allowances are payable only for 9 months in the year and that this irregular payment having been found out at the time of audit of the accounts of the school, the Comptroller has observed in his letter No 639/B/L A C dated 8th June 1942, on an anology of part time allowance ~~audited in the department, that the~~ in question are tenable during 9 months of the year and that the payments made otherwise should be recovered The amount held under objection is stated to be Rs 120/- each paid from 1938 The Managing Committee of the school have resolved to recommend for waiving the recovery of the amount and also for the continuance of the payment of the allowances ~~fixxifxxxx~~ for 12 months in the year even in the future years A copy of the resolution is enclosed herewith for favour of perusal The Deputy Commissioner, Kolar District who is the President of the Managing Committee of the school and the Deputy Director of Public Instruction, Bangalore recommend that the resolution of the Managing Committee may be sanctioned

But the payment of these part time allowances for 12 months in the year cannot be

permitted merely on the ground that there was full provision for the whole year and that it would not involve any extra cost to the management But it would also work very hard on the teachers concerned if the amount should be recovered from them, especially in these hard days

In the circumstances, I recommend that Government may be pleased to waive the audit objection for the recovery of the excess payments made and to order that, in future, the allowance should be paid only for 9 months in the year as in other schools

Resolution -

The payment has been made in accordance with Government Order No L 7044-46/~~mf~~ Ml 63-40-16 dated 8th April 1941, which permitted the payment of Rs 10/-each to two teacher against the provision for a whole time Drill Instructor on Rs 20/-, and as the provision ~~is~~ in the sanctioned scale for Municipal teachers is not exceeded and as the recovery of the amounts paid now ~~is~~ in a lumpsum works as a great hardship to the teachers in question, the Deputy Commissioner may be requested to waive recovery and recommend continuance of the payment for 12 months in the year

SIR,

Subject - Waiver of audit objection relating to the excess payment of Rs.240/- and Rs 180/- made to the Drill Instructors in the Municipal High Schools at - Bowringpet and Chintamani, respectively.

With reference to your letter No 442/Ml. 26-42-16 dated 10th July 1943 enquiring if the sum of Rs 180/- being the excess amount of Drill Allowances paid to the teachers of the Municipal High - School, Chintamani has since been recovered and in continuation of my letter No cited above dated 31st May 1944 stating that my final report on the subject would be submitted to Government on receipt of information from the Deputy Commissioner, Kolar District, Kolar, I have the honour to inform you that the Deputy Commissioner and President, Managing Committee, Municipal High School, Chintamani, states in his letter dated 6th June 1944 that the amount has not been recovered from the teachers concerned.

in the matter.

I recommend that the audit objections regarding the recovery of the excess amount paid in both the cases may be kindly waived, as a special case, for the reasons stated by the Deputy Commissioner, on the clear understanding that the irregularity would not be repeated.

In continuation of this office letter of even number dated 11th January 1943 requesting to obtain sanction of Government to waive the audit objection for having paid the drill allowances to the teachers of the Bowringpet Municipal High School, during - summer vacation, I have the honour to state that similar allowance paid to the teachers of Chintamani Municipal High School, during summer vacation has also been objected to in audit by the Assistant Comptroller in his letter No. 639/B L A C dated 8th June 1942

The representations made by the teachers of the Chintamani Municipal High School to waive the recovery of the amount from them paid for the year 1938 was considered by the Management of the High School at their meeting held on 5-3-1943 and they have resolved that in view of the fact that the allowances have been drawn long back without any knowledge of the rule now pointed out, the objection may be requested to be waived as it is a great -- hardship to the poor teachers who have drawn it long back They have further resolved that when there is a provision in the sanctioned scale for the appointment of a whole time drill instructor who could be paid Rs 20/- for all the twelve months, the fact that it is divided between two teachers on account of administrative convenience should not stand in the way of their getting the allowance during the summer vacation

I fully endorse the opinion of the Management of the School and request you to obtain sanction of Government to waive the -- objection and to continue the payment of allowances for 12 months in the year A copy of the resolution of the Managing Committee and the representations received from the teachers are enclosed for favour of reference.

For Director.

Extract from the Proceedings of the Meeting of the Managing Committee of the Municipal High School, Chintamani, held on -- 5th March 1943

Subject No 8 -

Regarding the representation of Messrs C Ranganatha Rao, B Madhava Rao and M R Nanjundiah, teachers of the High School praying that the drill allowance of Rs 10/- each per mensem paid to them during summer vacation which is ordered to be recovered may be waived

Resolution -

In view of the fact that the allowances have been drawn long back without a knowledge of the rule now pointed out, the objection may be requested to be waived as it is a great hardship to the poor teachers who have drawn it

Resolved further that as there is a provision of Rs 20/- per mensem in the sanctioned scale itself for a drill instructor permitting the entertainment of a full time man for all the twelve months, The fact that it is divided between two on account of the large number of students should not stand in the way of getting their allowance during vacation

The Director may be requested to consider this aspect of the matter, treat it different from the usual part-time allowance and obtain sanction of Government for payment during vacation

The Director of Public Instruction states that the payment of the Drill Instructor's allowance to the staff of the Municipal High Schools at Bowringpet and Chintamani for 12 months instead of only for 9 months as per standing orders, has been objected to in audit. The amount objected to has already been disbursed during the years 1938-39 to 1941-42. It totals up to Rs.240 in the case of the Municipal High School at Bowringpet and to Rs.180 in the case of the School at Chintamani. The Director states that the claim for 3 months more during the years referred to above was preferred owing to ignorance of the rules and that in view of the fact that the amount has already been drawn and disbursed and its recovery now will cause hardships to the payees concerned, the audit objection may be waived as a special case subject to the condition that the allowance is paid in future years during only 9 months in each year.

In the circumstances reported, the payment of the above allowances already made is sanctioned as a special case. In future, the payment of the drill allowance should be strictly limited only to nine months in the year.
